India Pulses and Grains Association (IPGA) establishes an Advisory Committee with stalwarts from the sector

Mumbai, January 8, 2021: India Pulses and Grains Association (IPGA), the nodal body for India's pulses trade and industry has announced an Advisory Committee with stalwarts from the agriculture sector of India to further enhance its standing as India's leading think tank and knowledge hub on the pulses and grains industry.

The Advisory Committee will essentially play the role of guide, mentor, and advisor to the IPGA Management. The objective behind setting up this five-member committee is to help the IPGA Management gain further insights and understanding into the pulses sector, provide better support to its stakeholders, and provide more informed, nuanced, and effective policy inputs and recommendations to the government.

The Advisory Committee comprises of the following members:

- Mr Ashish Bahuguna – Public Interest Director, Board of National Commodity and Derivatives Exchange Ltd.; Former Secretary, Ministry of Agriculture, Govt. of India; Former Chairperson, Food Safety & Standards Authority of India
- Dr Jeet Singh Sandhu – renowned agricultural scientist and Hon'ble Vice Chancellor, Sri Karan Narendra Agriculture University, Jobner Jaipur, Rajasthan
- Dr Narendra Pratap Singh – Director of Indian Institute of Pulses Research (IIPR), Kanpur and President, Indian Society of Pulses Research and Development, IIPR
- Mr Yogesh Thorat – Managing Director, MAHA Farmers Producers Company Ltd. (MAHAFPC).
- Ms Aashish Kasad – Chartered Accountant and Partner with a Big4, Indian Tax and Regulations Expert, Former Lead Partner to Ministry of Food Processing Industries, Govt. of India

Mr. Jitu Bheda, Chairman, IPGA speaking at the inaugural meeting of the IPGA Advisory Committee, said, "It is our pleasure to announce that IPGA now has an Advisory Committee with industry domain experts. It is indeed an honour to have the advisory committee members as part of IPGA. While extending warm welcome to them, we look forward to their guidance and meaningful interactions to craft a collaborative path forward with our key stakeholders."

Mr Bimal Kothari, Vice President, IPGA, said, "With the vast experience and domain expertise of our Advisory Committee, we are sure that we will take IPGA into a different league in the next few

years. We look forward to the guidance of these distinguished experts in helping our stakeholders make their businesses more sustainable, improving our interaction with the government over policymaking, and addressing long term issues of the sector through policy recommendations.”

Members of the Advisory Committee also expressed their pleasure to join hands with IPGA.

Mr Ashish Bahuguna said, “It is important that together, we figure out the issues in each and every process in the sector. To get more focus on what we are trying to push through, we must break it down to the detail. As an association, then we will be able to convey better what we want the government or our stakeholders to do.”

Dr Jeet Singh Sandhu said, “The markets are largely fine, and prices are also improving, but we have a lot to do in the technology area. Also, we do have great success stories in terms of certain pulses production growth, which need to be highlighted. I think at IPGA we can take up these and many other things, and I am looking forward to taking these up on the Committee’s agenda.”

Dr Narendra Pratap Singh said, “With the new farm bills, there is going to be better flow of technology, new players will join in, and they will help in improving conditions in the sector. IPGA can certainly play a role in supporting its stakeholders through these changes and I am happy to be a part of the Advisory Committee which will be guiding it.”

Mr Yogesh Thorat said, “I am thankful to IPGA for representing farmers on the Advisory Committee. It is a proud moment for the farmers’, producers’ organizations as well. IPGA has CSR initiatives as well as a good member base, then I think if there are opportunities of partnership or joint ventures or integrated value chain development, then that is one of the areas wherein IPGA can take lead.”

Ms Aashish Kasad said, “There is so much IPGA can do in terms of demand creation and demand fulfilment. We can do a lot in the areas of processing, innovation, R&D boost to nutrition via pulses – IPGA can tie back with companies who are operating in these areas, as well as push government to give better incentives and facilities for these things, especially innovation and R&D.”

Mr Pravin Dongre, Founder-Director, IPGA summing up the meeting, said, “With the new agricultural reforms enacted in 2020, we are looking towards the new Advisory Committee to throw some light on the emerging landscape and changes which will be ushered by them. The insights gained from the wisdom and experience of the Committee will certainly help us advise and support our members and stakeholders in navigating these reforms, which if implemented well, can make agriculture a major contributor to India’s GDP and growth.”

IPGA constitutes advisory committee with experts from pulses sector

Mumbai, Jan 8 (PTI) The India Pulses and Grains Association (IPGA), the nodal body for India's pulses trade and industry, on Friday announced a five-member advisory committee comprising of experts from the sector to further enhance its standing as the country's think tank and knowledge hub for the industry.

The advisory committee will guide, mentor and be an advisor to the IPGA management, according to a statement.

The committee will help the IPGA management gain further insights and understanding into the pulses sector, provide better support to its stakeholders, and provide more informed, nuanced, and effective policy inputs and recommendations to the government, it added.

"With the vast experience and domain expertise of our advisory committee, we are sure that we will take IPGA into a different league in the next few years," IPGA Vice President Bimal Kothari said.

"We look forward to the guidance of these distinguished experts in helping our stakeholders make their businesses more sustainable, improving our interaction with the government over policymaking, and addressing long term issues of the sector through policy recommendations," Kothari added.

IPGA has over 400 direct and indirect members, including individuals, corporates as well as regional pulses traders and processors associations, taking its pan-India reach to over 10,000 stakeholders involved in farming, processing, warehousing and import of pulses across the entire value chain.

The committee will help the IPGA management gain further insights and understanding into the pulses sector, provide better support to its stakeholders, and provide more informed, nuanced, and effective policy inputs and recommendations to the government, it added.

"With the vast experience and domain expertise of our advisory committee, we are sure that we will take IPGA into a different league in the next few years," IPGA Vice President Bimal Kothari said.

"We look forward to the guidance of these distinguished experts in helping our stakeholders make their businesses more sustainable, improving our interaction with the government over policymaking, and addressing long term issues of the sector through policy recommendations," Kothari added.

IPGA has over 400 direct and indirect members, including individuals, corporates as well as regional pulses traders and processors associations, taking its pan-India reach to over 10,000 stakeholders involved in farming, processing, warehousing and import of pulses across the entire value chain.

इंडिया पल्सेस अँड ग्राइन्स अससोसिएशन ने कृषी क्षेत्रातील दिग्गजांसह सल्लागार समिती स्थापित केली

भारतातील डाळींच्या व्यापार आणि उद्योगाची नोडल संस्था, इंडिया पल्सेस अँड ग्राइन्स अससोसिएशन (IPGA/ आयपीजीए) ने भारताच्या कृषी क्षेत्रातील तज्ज्ञांसह सल्लागार समिती स्थापित केल्याची घोषणा आज केली. सल्लागार समिती मूलतः आयपीजीए व्यवस्थापनाचे मार्गदर्शक आणि सल्लागाराची भूमिका बजावेल.

ही पाच सदस्यीय समिती स्थापन करण्यामागील हेतू आयपीजीए व्यवस्थापनाला डाळींच्या क्षेत्राबद्दल अधिक अंतर्दृष्टी आणि ज्ञान मिळविणे, त्याच्या भागधारकांना अधिक चांगले समर्थन देणे आणि सरकारला अधिक माहिती देणारी आणि प्रभावी धोरणात्मक शिफारसी पुरविणे आहे.

सल्लागार समितीमध्ये खालील सदस्यांचा समावेश आहे:

- श्री आशिष बहुगुणा – नॅशनल कॉमोडिटीएस अँड डेरीवेटीव्हस एक्सचेंज लिमिटेड चे जनहित निर्देशक; माजी सचिव, कृषी मंत्रालय, भारत शासन; माजी अध्यक्ष, भारतीय खाद्य सुरक्षा आणि मानके प्राधिकरण
- डॉ. जीतसिंग संधू – प्रख्यात कृषी वैज्ञानिक आणि माननीय कुलगुरू, श्री करण नरेंद्र कृषी विद्यापीठ, जॉबनेर जयपूर, राजस्थान
- डॉ नरेंद्र प्रताप सिंह – कानपूरच्या इंडियन इन्स्टिट्यूट ऑफ पल्स रिसर्च (आयआयपीआर) चे संचालक आणि अध्यक्ष, इंडियन सोसायटी ऑफ पल्स रिसर्च अँड डेव्हलपमेंट इन्स्टिट्यूट
- श्री योगेश थोरात – मॅनेजिंग डायरेक्टर, महा फार्मर्स प्रोड्यूसर कंपनी लि. (MAHAFPC).
- सुश्री आशिष कसाड – चार्टर्ड अकाउंटंट आणि बिग 4 सह भागीदार, भारतीय कर आणि नियमन तज्ञ, माजी आघाडी भागीदार, अन्न प्रक्रिया उद्योग मंत्रालया

आयपीजीएचे अध्यक्ष श्री. जीतू भेडा, आयपीजीए सल्लागार समितीच्या उद्घाटन बैठकीत म्हणाले, “आयपीजीएची उद्योग क्षेत्रातील तज्ञांची सल्लागार समिती जाहीर करणे आमच्या साठी आनंदची बाब आहे आणि सल्लागार समितीच्या सदस्यांचे हार्दिक स्वागत करतो. आमच्या प्रमुख भागधारकांसमवेत सहयोगात्मक मार्ग तयार करण्यासाठी त्यांच्या मार्गदर्शन आणि अर्थपूर्ण संवादाची आम्ही अपेक्षा करतो.”

आयपीजीएचे उपाध्यक्ष श्री बिमल कोठारी म्हणाले, “आमच्या सल्लागार समितीच्या विस्तृत अनुभवामुळे आणि कौशल्यामुळे आम्हाला खात्री आहे की आम्ही पुढच्या काही वर्षांत आयपीजीएला वेगळ्या लीगमध्ये नेऊ. धोरणातील शिफारशींच्या माध्यमातून आमच्या भागधारकांचे व्यवसाय अधिक टिकाऊ बनविण्यात,

सरकारबरोबर आमचा संवाद सुधारण्यात आणि क्षेत्राच्या दीर्घकालीन मुद्द्यांकडे लक्ष वेधण्यासाठी या विशिष्ट तज्ञांच्या मार्गदर्शनाची आम्ही अपेक्षा करतो.”

श्री आशिष बहुगुणा म्हणाले, “एकत्रितपणे आपण या क्षेत्रातील प्रत्येक प्रक्रियेतील अडचणी शोधून काढणे महत्त्वाचे आहे. आम्ही ज्या गोष्टींवर दबाव टाकण्याचा प्रयत्न करीत आहोत त्यावर अधिक लक्ष केंद्रित करण्यासाठी, आपण त्यास तपशीलवार तपासले पाहिजे, तरच एक संघटना म्हणून मग सरकार किंवा आमच्या भागधारकांना काय हवे आहे हे आम्ही अधिक चांगल्या प्रकारे सांगू शकू. “

डॉ. जीत सिंग संधू म्हणाले, “बाजारपेठ बऱ्याच प्रमाणात चांगली आहे आणि किंमतीही सुधारत आहेत, पण तंत्रज्ञानाच्या क्षेत्रातही आपल्याकडे बरेच काही आहे. तसेच, आमच्याकडे काही डाळींच्या उत्पादनाच्या वाढीच्या दृष्टीने चांगली यशोगाथा आहे, ज्यांना हायलाइट करणे आवश्यक आहे. मला वाटते की आयपीजीए मध्ये आम्ही या आणि इतर बऱ्याच गोष्टी घेऊ शकतो आणि मी समितीच्या अजेंड्यावर हे घेण्यास उत्सुक आहे.”

डॉ. नरेंद्र प्रताप सिंह म्हणाले, “नवीन शेततळे विधेयकासह तंत्रज्ञानाचा चांगला प्रवाह होईल, नवीन खेळाडू त्यात सामील होतील आणि ते या क्षेत्रातील परिस्थिती सुधारण्यास मदत करतील. या बदलांद्वारे आयपीजीए निश्चितपणे त्याच्या भागधारकांना पाठिंबा देण्यास भूमिका बजावू शकते आणि सल्लागार समिती ह्या भागवर मार्गदर्शन करेल.”

श्री योगेश थोरात म्हणाले, “सल्लागार समितीत शेतकऱ्यांचे प्रतिनिधित्व करायची संधी दिल्याबद्दल मी आयपीजीएचा आभारी आहे. हा शेतकरी, उत्पादक संघटनांसाठीही अभिमानाचा क्षण आहे. आयपीजीएमध्ये सीएसआर पुढाकार तसेच एक चांगला सदस्य वर्ग आहे, मग मला वाटतं की जर भागीदारी किंवा संयुक्त उपक्रम किंवा इंटिग्रेटेड व्हॅल्यू चेन डेव्हलपमेंटची संधी असेल तर आयपीजीए अशा क्षेत्रांमध्ये पुढाकार घेऊ शकेल.”

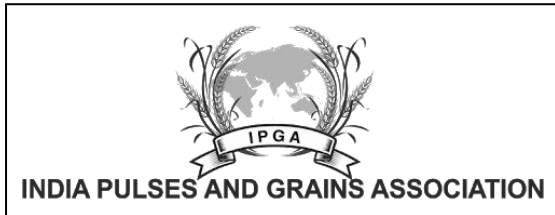

सुश्री आशिष कसाड म्हणाल्या, “मागणी वाढवणे आणि मागणी पूर्ण करण्याच्या दृष्टीने आयपीजीए बरेच करू शकेल. डाळींच्या माध्यमाने पोषण प्रक्रियेसाठी नवीन प्रक्रिया, अनुसंधान व विकास या क्षेत्रात आपण बरेच काही करू शकतो. आयपीजीए या क्षेत्रांत कार्यरत असलेल्या कंपन्यांशी संबंध जोडून, तसेच सरकारला या गोष्टींसाठी अधिक चांगले प्रोत्साहन व सुविधा देण्यास उद्युक्त करू शकते, विशेषतः नवीन प्रक्रिया, अनुसंधान व विकास क्षेत्रांत.”
